**THE VANCOUVER HAWKS FIELD
HOCKEY CLUB
FOUNDED 1895**

The Vancouver Hawks Field Hockey Club (the “Hawks Club”) is the oldest, smartest, classiest, most distinguished and most storied field hockey club in Vancouver, Canada. With 5 incredible men’s teams, 6 hot women’s teams and 72 unbelievable junior teams (275 boys and 567 girls), there is a team and a place in the club for every calibre of player. Hawks Club members are regularly selected to regional, provincial and national teams. Off the turf, our irreplaceable club members volunteer tons of time to support field hockey organizations at the regional, provincial, national and even international levels.

The Hawks Club first toured Australia in 1969, and we still hear the stories of that trip at club BBQ’s and dinner parties – the legend seems to build with each passing year. Ever since then our teams have eagerly seized every opportunity to jump on a plane and tour abroad. What a terrific way to see the world and to make new friends! And hey, we also like hosting the many teams who come from afar to play in Vancouver. If you are heading to Vancouver please let us know – we’ll be up for a game and a good time too! Check us out at www.vancouverhawks.com.

We look forward to seeing you at the 2006 Hockeyfest in Sydney. Good luck to everyone both on and off the pitch!

Patrick Oswald Club President and Team Manager
Andrew Schouten Coach
