

# HOLLAND TOUR 2006

[www.totalfieldhockey.com](http://www.totalfieldhockey.com)

Total Field Hockey (TFH) is a Vancouver (Canada) based company that provides field hockey tours (Australia and Holland), coaching services (Summer Camps, Specialty Sessions), and hockey equipment and clothing to the local and international community.

It is with great excitement and pleasure that I am able to put together this brochure for the second annual Total Field Hockey U16 Girls Tour to Holland. This Tour has been in the planning for well over a year and we are excited to finally board the plane to reach our destination cities of Amsterdam, Rotterdam, Chaam and Valkenswaard.

Much hard work went into this tour from many different groups. I would like to extend a special thanks to our hosts on the ground in Holland for all of your assistance in organizing matches and accommodation, the silent corporate sponsors who have helped make this tour possible, the managers and chaperones for accompanying the team while in Holland and International Easter Tournament organizers for all of their assistance.

I would like to thank the parents of the athletes for their continued support throughout the tour process. From driving and billeting athletes, to making sure that all the paper work was taken care of, the continued support from the parents has helped to make the pre-tour preparation go extremely smooth.

Lastly I would like to thank the athletes for their commitment to the Tour process. We started to train in freezing cols February and continued to train hard until the end of March. We enjoyed great pre-tour matches and believe that we are ready for the competition that lies ahead of us.

We are sure that the TFH U16 Girls Tour to Holland be a fantastic experience for the athletes, managers, chaperones, and coach. We look forward to our fixtures and enjoying the sights and sounds that Holland has to offer! Please visit the Total Field Hockey website at [www.totalfieldhockey.com](http://www.totalfieldhockey.com) for tour information and to view the tour diary.

Sincerely,

Andrew Schouten  
Holland Tour Coach  
Total Field Hockey President

## Contact us @ Total Field Hockey

Are you looking to bring a tour team to play hockey in Canada? Do you want to come to Canada to study, travel or just play some hockey? Don't know where to start your search?

Please feel free to contact Total Field Hockey. We would gladly help teams and individual players to arrange fixtures, trainings, tournament entries, accommodation, ground transportation and anything else that you may need assistance with while in Canada!
